

TAKE ACTION:

*Restore Your Right to Travel to Cuba
It's just a phone call away...*

Cuba Call-In Days May 1 & 2

How this works:

In the House, call your representative; ask to speak to the foreign policy staff; then ask that the congressperson cosponsor HR 654, the House bill to end the travel ban (voicemail is fine).

If your representative has already cosponsored, thank her/him!

In the Senate, the procedure is the same, but ask your two senators to co-sponsor S 721, the Senate bill to end the travel ban.
